The President
Indian Spices & Foodstuff Exporters Association
Vashi, Navi Mumbai

Dear Sir,

Sub: **Buyer-Seller Meet** during Turmeric Mahotsav & Agri Exhibition; reg

As you are aware, a 4 day event of “**Turmeric Mahotsav cum Agri Exhibition**” at Ramlila Maidan, Hingoli Maharashtra from 15th to 18th December 2022 has been organised by the state authority.

In this event a buyer-seller meet with the turmeric exporters and turmeric suppliers/sellers has also been proposed by the **Shri Hemant Patil, Hon'ble Member of Parliament**, Hingoli and Chairman, Turmeric Research & Processing Policy Study Committee, Maharashtra State. Spices Board Regional Office, Mumbai is also participating in the event.

Therefore, it is felt very much that the Indian Spices and Foodstuff Exporters Association (ISFEA)/turmeric exporters may perform a vital role to promote the export of quality turmeric produced in the state by participating actively and ensure the turmeric suppliers, farmers and Farmers Producer Companies by linking them with the exporters for future endeavour.

Please consider the importance of this **turmeric mahotsav** being organised for the first time in the Hingoli region and please provide a list of the exporter members for participation in the event for Buyer-Seller Meet and seminars.

An early response is requested so that we may forward the list of exporters to the organising committee and please select a date from 15th to 18th December 2022 as suitable to the exporters.

With best regards

Prabhu Pratap Kanel
