### **The Hon'ble Supreme Court of India ensures that Exporters experience the Sweet Smell of Victory**

Dear Friends,

The Hon'ble Supreme Court of India dismissed the SLP filled by the department against the judgment passed by the Hon'ble High Court of Delhi in the Writ Petition filed by us, wherein the refund of IGST paid on goods exported during the transitional period had been granted to 14 Petitioners belonging to different parts of the Country, which had been denied to them on the ground that they had claimed drawback under Column A instead of Column B .

Thus, letting exporters experience the Sweet Smell of Victory.

Best Regards,
