SPICES BOARD INDIA

Ministry of Commerce & Industry, Government of India

No.WSC/18/2022.23

26<sup>th</sup> January 2023

Greetings from World Spice Congress (WSC)!!!

Renowned as the apt platform to get to know about the recent trends and developments in the global spices sector, the World Spice Congress has always facilitated conglomeration of the key players of the sector- the exporters, processors, regulators, service providers and importers from across the world.

Considering the uncertainty and constraints in international travel due to the Covid-19 situation prevailing in some of the major spice importing countries which has hindered participation of many delegates in WSC, requests and feedback received from various stakeholders both domestic and abroad, and in the interest of facilitating wider participation of delegates from across the world, **we are constrained to reschedule the World Spice Congress 2023** from 16 -18 February 2023, to **15 -17 September 2023**. The venue for WSC 2023 will remain unchanged (CIDCO Exhibition & Convention Centre, Navi Mumbai).

It may be noted that the process of registration of delegates and exhibition stall will continue online at [www.worldspicecongress.com](http://www.worldspicecongress.com). All existing registrations of delegates and exhibition stalls will be carried forward to the rescheduled event.

We regret any inconvenience caused due to the change in schedule and seek your kind cooperation and continued support in making WSC 2023 a grand success.

We look forward to have your valuable participation in WSC 2023. Please feel free to contact us at [os@worldspicecongress.com](mailto:os@worldspicecongress.com) for any further assistance.
