The President
Indian Spices & Foodstuff Exporters' Association
Vashi,
Navi Mumbai

Respected Sir,

The Current Good Manufacturing Practice, Hazard Analysis, and Risk-based Preventive Controls for Human Food Regulation (referred to as the Preventive Controls for Human Food Regulation) is intended to ensure safe manufacturing / processing, packing and holding of food products for human consumption in the United States.

The Regulation requires that certain activities must be completed by a "preventive controls qualified individual" who has "successfully completed training in the development and application of risk-based preventive controls". This course developed by the Food Safety Preventive Controls Alliance (FSPCA) is the "standardized curriculum" recognized by FDA; successfully completing this course is one way to meet the requirements for a "preventive controls qualified individual (PCQI)."

The Collaborative Training Centre of Spices Board, Kochi has registered the Course at FSPCA, USA and has been conducting PCQI training in various states in the country. Accordingly, PCQI training is scheduled in the Mumbai region from **16-18 March 2023** at Spices Board, Mahape, MIDC, Navi Mumbai for the personnel of spices manufacturer exporters who are devoted to quality production for export.

Therefore, it is requested exporters to depute the technical personnel engaged in your spice manufacturing units for training on "Preventive Controls Qualified Individual (PCQI)". Please forward the list of candidates with their Name, Mobile number and email ids as soon as possible before 10th March 2023 as it is limited to 20 trainees only. The registration fee of Rs. 2000/- plus 18% GST which inclusive of lunch and refreshments. Please go through the content in the attachment for details.

The participant's name has to be registered with the USFDA. Hence please they need to fill up the attached Nomination Form and submit before 10-03-2023.

You are requested to kindly circulate the information among your members to avail benefit from this training.

With Best Regards

Ramanna
Deputy Director
