**Sub: CBIC Committee for Expanding Automation –Digitization in
Export Processes**

Dear Member,

FIEO, WR is pleased to inform you that CBIC has constituted a committee to promote paperless and contactless customs for export processes. Shri Sanjeev Kumar Singh, Commissioner of Customs, NS-II, JNCH is the Chairman of the said committee.

The committee shall comprehensively examine the present procedural flow in the export clearance process and make recommendations for increasing automation-digitization therein, within the existing statutory framework. This would include, for example, customs-related operations at CFS for LCL cargo, customs-related processes at air cargo, web-based goods registration (including for factory-stuffed e-sealed containers).

In this regard, members are requested to provide any specific procedure, guidelines or suggestions by Email to Mrs. Harpreet Makol, Assistant Director, FIEO (WR) on harpreetmakol@fio.org by 03rd July 2023, so that the automation/digitization of the export may be expanded.

Yours sincerely

Sd/-

Paresh Kantilal Mehta
Regional Chairman (WR)
