Sirs,

Sub: Request for data in the format for review of RoDTEP rates-reg

As you are aware, the Government of India has constituted a committee for updating the recommended ceiling rates schedules under the RoDTEP Scheme. The Committee had finalized the format for submission of data based on meetings/suggestions which is attached as Annexure A. The detailed data will be required by the RoDTEP Committee, as per format attached, for calculation of RoDTEP benefits for the identified sectors.

Accordingly, exporters of spices and spice products, who are members of your association/federation may be requested to provide the data in the attached format. Also, the association may compile the data provided by its members and forward the same to the Board along with a summary of the information provided by the exporters, in the attached excel sheet. While providing the data, care should be taken regarding the following aspects:-

- a. Data provided should be certified by the manufacturer and its Chartered Accountant/Cost Accountant
- b. The data should be supported by copies of relevant documents such as tax invoices of inputs used, shipping bills of export products, State Govt. notifications regarding taxes/levies like electricity duty, mandi tax etc.
- c. A copy of data submitted in Annexure A should also be e-mailed in Excel Format so that it can be sent to rodtep.dbk@gov.in

Accordingly, you are requested to circulate the revised format among spice exporters and forward the filled up format & supporting documents provided by the exporters to Spices Board along with a consolidated statement in the attached excel sheet, within 10 days of receipt of this communication, so that the details can be provided to the RoDTEP committee for consideration.

Regards,

(B N JHA)
Director(Marketing)
